
Participants will choose to incorporate media literacy instruction within their 7-12 English Language Arts curriculum utilizing the curriculum-driven approach.
Overall Course Objective
Participants will understand the importance of building students' media literacy skills and become familiarized with the curriculum-driven approach to implementing media literacy into 7-12 English Language Arts.
Unit 1
Participants will use knowledge and strategies for incorporating media literacy into the curriculum to design a lesson plan that builds students' media literacy skills in the content area of 7-12 English Language Arts.
Unit 2
Participants will investigate the curriculum-driven approach to incorporating media literacy.
Lesson 3
Participants will reflect on their current knowledge of media and consider the importance of media in the classroom.
Lesson 1
Participants will compare and contrast media and print literacy, and identify strategies for incorporating media literacy within 7-12 English Language Arts instruction.
Lesson 2
Participants will review lesson plans that incorporate media literacy.
Lesson 4
Participants will collaborate with one another to design a media literacy lesson plan for 7-12 English Language Arts students.
Lesson 5
Relate personal experience and/or knowledge to topic covered.
Prerequisite
Understand the definition of literacy.
Prerequisite
Think flexibly and creatively while collaborating with others.
Prerequisite
Prior experience creating student-centered lesson plans.
Prerequisite
Experience with Google Docs/Drive.
Prerequisite
