### Word Box

Autism	Emotional Disturbance	Specific Learning Disability
Deaf-blindness	Orthopedic Impairment	Multiple Disabilities
Traumatic Brain Injury	Other Health Impairment	Mental Retardation
Visual Impairment	Speech or Language Impairment	Hearing Impairment
Deafness		

1. \_\_\_\_\_ is a hearing impairment that is so severe that the child is impaired in processing linguistic information through hearing.
2. \_\_\_\_\_ means concomitant hearing and visual impairments, the combination of which causes severe communication and other developmental and educational needs.
3. \_\_\_\_\_ means significantly sub-average general intellectual functioning.
4. \_\_\_\_\_ is a severe orthopedic impairment that adversely affects a child's educational performance.
5. \_\_\_\_\_ means having limited strength, vitality, or alertness that is due to acute or chronic health problems and adversely affects a student's educational performance.
6. \_\_\_\_\_ is a disorder in one or more of the basic psychological processes involved in understanding or in using language, spoken or written.
7. \_\_\_\_\_ means a communication disorder, such as stuttering, impaired articulation, a language impairment, or a voice impairment, that adversely affects a child's educational performance.
8. \_\_\_\_\_ means an acquired injury to the brain caused by an external physical force, resulting in total or partial functional disability or psychosocial impairment, or both, that adversely affects a child's educational performance.
9. \_\_\_\_\_ means an impairment in vision that, even with correction, adversely affects a child's educational performance.
10. \_\_\_\_\_ is a developmental disability significantly affecting verbal and nonverbal communication and social interaction, generally evident before age three, that adversely affects a child's educational performance.
11. \_\_\_\_\_ means concomitant impairments (such as mental retardation-blindness or mental retardation-orthopedic impairment), the combination of which causes such severe educational needs.
12. \_\_\_\_\_ means an impairment in hearing, whether permanent or fluctuating, that adversely affects a child's educational performance
13. \_\_\_\_\_ any mental disorder not caused by detectable organic abnormalities of the brain and in which a major disturbance of emotions is predominant
